CRAIG COUNSELL	2001

Racing, fluttering heartbeat?

Atrial fibrillation (AFib) is a quivering or irregular heartbeat that can lead to blood clots, stroke, heart failure, and other heart-related complications.

Know your options. Stay in the game.

Whether you're facing AFib yourself or supporting a loved one, knowing your options is your best play. Medication can often be the first line of defense against AFib, but it may not be the best fit for everyone.

Cardiac catheter ablation can be transformative for patients looking to improve or eliminate symptoms of AFib.

4x More effective

Catheter ablation can be 4x more effective than antiarrhythmic medication alone at preventing the return of the irregular heart rhythm associated with AFib.[1*]

Learn more and find a specialist today at **www.GetSmartAboutAFib.com**

Don't wait. Ask your doctor about catheter ablation, a minimally invasive technique used to treat AFib without major surgery.[2-5]

*Results reported after 9 months for patients with paroxysmal AFib who had failed 1 antiarrhythmic medication in randomized trial.

1. Joglar JA, Chung MK, Armbruster AL, et al. 2023 ACC/AHA/ACCP/HRS Guideline for the Diagnosis and Management of Atrial Fibrillation. Journal of the American College of Cardiology, Vol 83, No. 1, 2024. **2.** Cleveland Clinic: Catheter Ablation Purpose, Procedure, Risk and Recovery. Cleveland Clinic. October 5, 2021. Accessed January 4, 2024. https://my.clevelandclinic.org/health/treatments/16851-catheter-ablation. **3.** Catheter ablation. Michigan Medicine Frankel Cardiovascular Center. University of Michigan Health. Accessed January 4, 2024. https://www.umcvc.org/conditions-treatments/catheter-ablation. **4.** Corrigan Minehan Heart Center. Catheter ablation for atrial fibrillation. Massachusetts General Hospital. The General Hospital Corporation. Accessed January 4, 2024. https://www.massgeneral.org/heart-center/treatments-and-services/catheter-ablation-for-atrial-fibrillation. **5.** Saad-Omer SM, Ryad R, Limbana T, Zahid T, Jahan N. Catheter Ablation vs. Medical Treatment in Patients With Atrial Fibrillation. Cureus. 2020;12(8):e9700. Published 2020 Aug 12. doi:10.7759/cureus.9700

As with any medical treatment, individual results may vary. Only a cardiologist or electrophysiologist can determine whether ablation is an appropriate course of treatment. There are potential risks including bleeding, swelling or bruising at the catheter insertion site, and infection. More serious complications are rare, which can include damage to the heart or blood vessels; blood clots (which may lead to stroke); heart attack, or death. These risks need to be discussed with your doctor and recovery takes time. The success of this procedure depends on many factors, including your physical condition and your body's ability to tolerate the procedure. Use care in the selection of your doctors and hospital, based on their skill and experience.

The THERMOCOOL SMARTOUCH™ SF Catheter is indicated for drug refractory recurrent symptomatic persistent atrial fibrillation (AF) (continuous AF > 7 days but < 1 year), refractory or intolerant to at least 1 Class I or III AAD, when used with the CARTO™ 3 System. Important information: Prior to use, refer to the instructions for use supplied with this device for indications, contraindications, side effects, warnings and precautions. Caution: US law restricts this device to sale by or on the order of a physician.

DIAMONDBACKS YOUTH JERSEY PROGRAM

IN PARTNERSHIP WITH

AVNET · Fry's Food Stores · Tide · Phoenix Children's

The D-backs Give Back Youth Jersey Program provides youth baseball and softball leagues across Arizona with high-quality jerseys and caps at no cost. The program has significantly offset diminishing resources and has allowed 116 leagues to reallocate funds toward equipment, registration fees and facility improvements.

Youth baseball and softball are experiencing their highest participation rates since 2008, and the Diamondbacks are committed to making diamond sports accessible to every child across Arizona. The D-backs Give Back Youth Jersey Program is one of the most powerful programs in partnership with Avnet, Fry's Food Stores, Tide and Phoenix Children's to impact leagues by lowering the cost to play ball!

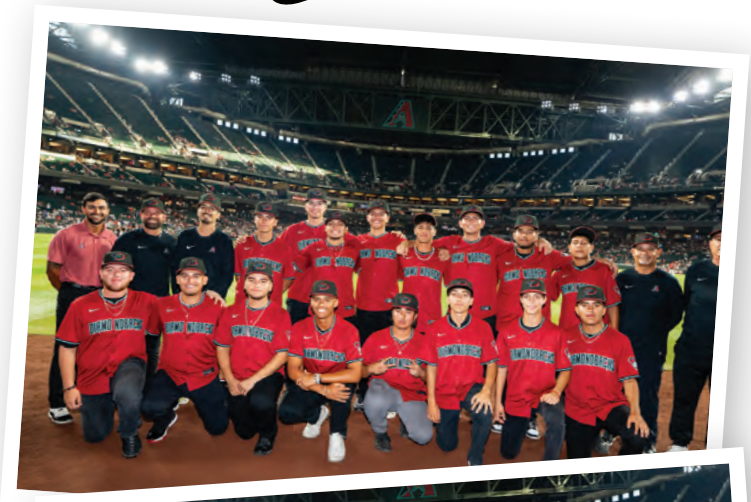
IN 2024, MORE THAN 60,000 CHILDREN IN 116 LEAGUES RECEIVED A FREE DIAMONDBACKS JERSEY AND CAP

EVOSHIELD
GECKO
NATION
GATEWAY COMMUNITY COLLEGE
gatewaycc.edu

The Arizona Diamondbacks Foundation is proud to partner with Chase on the D-backs Girls Play Ball program, a free baseball initiative designed to empower young girls to get involved in the sport. The program provides girls, ages 7 to 14, with the opportunity to experience the benefits of sports, such as increased confidence, improved health, and enhanced academic success. The program has impacted over 800 girls from more than 25 cities across Arizona. This initiative is a key part of the Arizona Diamondbacks Foundation's efforts to inspire and support young girls in sports across the state.

"Thank you for organizing such a fantastic program! Sophia learned so much and made new friends. Prior to this program she was unsure if she wanted to play softball. This has confirmed that next year she will be signing up for softball."

- Natasha, Parent from Chandler



PLAY BALL FUND *presented by* arizona complete health

During the 2024 season, the D-backs Give Back Play Ball Fund supported the outstanding efforts of Arizona's dedicated parents, mentors and coaches to expand the game of baseball and softball by donating $93,000 to youth sports leagues. Recipients of the Play Ball fund included youth teams, leagues and organizations that need assistance with player fees or facility improvements. The Arizona Diamondbacks and Arizona Complete Health are devoted to growing youth sports and have supported over 70 organizations in 2024 alone.

D-BACKS

INTER-TRIBAL TOURNAMENT

The Arizona Diamondbacks Foundation is proud to partner with Talking Stick Resort along with Resolution Copper and Nike to host the largest all-Native American baseball and softball tournament in the country. The D-backs Inter-Tribal Youth Baseball and Softball Tournament is held each summer for young Native American athletes representing tribal nations from across the United States.

The tournament has grown so large that games are played at community fields across the Phoenix Metropolitan area including numerous fields funded by the Arizona Diamondbacks Foundation and the professional spring training facility at Salt River Fields. The tournament features three baseball divisions and one softball division. After bracket play and championship games conclude, all teams are provided with complimentary tickets to a Diamondbacks game; where all tournament participants are recognized at Chase Field as part of Native American Recognition Day.

Beyond just a sporting event, the tournament fosters unity, sportsmanship, and pride within the Native American community, offering a space where athletes, families, and spectators can come together in celebration of their heritage and the love of the game. The D-backs are committed to promoting diversity and inclusion through this significant event, and to supporting the next generation of Native American athletes as they pursue their dreams both on and off the field.

In 2024, more than 1,000 young athletes representing over 20 Native American tribes from Arizona, New Mexico, Oklahoma, and California competed in the annual tournament!

presented by TALKING STICK RESORT

The Arizona Diamondbacks celebrated the rich cultural heritage of the Native American community during the 25th annual Native American Recognition Day. This festive day at the ballpark includes performances from various Native American drum groups, dancers and vocalists as well as art displays and educational exhibits. The Diamondbacks also recognize several of Arizona's Tribal Royalty Contingent and the ceremonial first pitch, national anthem and color guard display are all performed by members of the Native American community.

In addition, the D-backs welcomed Salt River Pima-Maricopa Indian Community council members for a special pre-game ceremony. Tamara Hayes, a member of the community and 25-year team member of presenting partner Casino Arizona and Talking Stick Resort, sang the National Anthem and the Salt River Police Department served as the Color Guard. The D-backs also hosted Boys & Girls Club Red Mountain Branch Youth of the Year nominee Jordan French Jr. who threw out the ceremonial first pitch. Dance performances included traditional dance from Standing Horse Dancers, Guardians of the Grand Canyon Ram Dancers, Pee-Posh Bird Singers and Dancers and many more.

D-BACKS GIVE BACK TO

SCHOOL INITIATIVES

D-BACKS SCIENCE OF BASEBALL

Presented by RESOLUTION COPPER

Acknowledging that STEM is a critical priority within the community and education system, the Arizona Diamondbacks in collaboration with Resolution Copper, developed season-long programming and partnership opportunities aimed at engaging teachers, schools, and students. Through this initiative, the Diamondbacks use the sport of baseball as a unique platform to bring STEM concepts to life in fun, accessible, and interactive ways. The program features hands-on activities, educational resources, and field trips to the ballpark, where students can experience firsthand how science and math play a vital role in the game.

Additionally, the Diamondbacks collaborated with local educators to provide several free workshops and professional development opportunities to create lasting connections between the classroom and the world of sports

FUN AT BAT *supported locally by* WHATABURGER

In collaboration with Major League Baseball, USA Baseball, and Whataburger, the Arizona Diamondbacks designed an entry-level bat and ball program to be used in elementary physical education (P.E.) classrooms. Grades K-5 adopt the curriculum that teaches fundamental skills of bat and ball sports while learning about the importance of fun and active lifestyles.

In 2024, over 38,000 Arizona elementary school students have been impacted by D-backs Fun at Bat program!

ARIZONA DIAMONDBACKS READ YOUR WAY TO THE BALLPARK

SUPPORTED BY AVNET

READ YOUR WAY TO THE BALLPARK

supported by AVNET

The Arizona Diamondbacks Read Your Way to the Ballpark program supported by Avnet is a K-6 reading program designed to stimulate interest in reading and literacy while also providing funding for new books in classrooms. Students can earn D-backs prizes by meeting four different reading goals determined by their teachers. The program also provided ten teachers with $1,000 grants for new books in the classroom!

The program supported 300 classrooms and nearly 10,000 students in 2024!

ARABIAN HORSE ASSOCIATION OF ARIZONA

D-BACKS CELEBRITY GOLF CLASSIC

presented by Sanderson Ford

Each year, the Arizona Diamondbacks Foundation joins partners, supporters, players and coaches to honor and remember the sacrifice and service of our veterans and military heroes at the Annual D-backs Celebrity Golf Classic. The proceeds from the event benefit Arizona charities that embrace and improve the lives of those who have served our country and their families. Since 2011, the event has raised more than $2.8 million for military organizations.

In 2024, the Arizona Diamondbacks donated $25,000 to both USO Arizona and Folds of Honor. In addition, VetTix commemorated an important milestone surpassing 20 million tickets donated to military heroes and will be thanking the D-backs as the first professional sports team to embrace their mission.

Strikeouts Helping Heroes presented by Circle K is a powerful collaboration between the Arizona Diamondbacks Foundation and Circle K to bring awareness and raise funds for projects that serve veterans dealing with homelessness, PTSD, addiction and the complex transition back to civilian life. The D-backs and Circle K have dedicated our resources to a season-long initiative to maximize our ability to impact the lives of our military heroes. Every time a D-backs pitcher strikes out an opposing batter, the Arizona Diamondbacks Foundation and Circle K donated $10 to Strikeouts Helping Heroes, funding important projects and support programs for our most deserving veterans. Circle K and the D-backs team up for community service projects to support veterans. Together, we tip our caps to our service men and women!

Throughout the 2024 season, the Arizona Diamondbacks Foundation and NuVision Auto Glass donated $20 to Hits for Heroes every time a D-backs player got a hit in a game. This initiative funds various veterans' projects and programs, such as improving healthcare, treatment and rehabilitation, and supporting veterans and their families in their journey toward stability and success. The Arizona Diamondbacks Foundation and NuVision Auto Glass have come together to support Arizona's veterans who are most in need. Veterans face complexities and challenges, and the D-backs and NuVision Auto Glass are committed to providing all the help we can to make a real difference in their lives.

GONZO'S HOMETOWN HEROES

The Arizona Diamondbacks Foundation and Luis Gonzalez are proud to support first responders in Arizona. Gonzo is passionate about helping the Arizona community, especially the men and women who risk their lives every day to ensure our safety. One hundred percent of the proceeds from Gonzo's Hometown Heroes Fund benefit projects, programs and non-profit organizations that support Police Officers, Firefighters, and First Responders across Arizona. Luis Gonzalez and the Arizona Diamondbacks Foundation are honored to stand behind those who stand behind the badge.

MIKE KENNEDY DIAMONDS BACK Fields
TURNING DIRT INTO DIAMONDS

PRESENTED BY aps

Through the Mike Kennedy Diamonds Back Field Building Program, the Arizona Diamondbacks Foundation and APS build or refurbish baseball and softball fields each year across the state of Arizona. On November 1, 2024, the 45th field was dedicated in Snowflake as Torey Lovullo Field. The field represents his love and passion for the game that he hopes to pass down for years to come to youth baseball and softball players that play on the field. The improvements to this field have been made possible through the generosity of the Arizona Diamondbacks Foundation and APS which include new lights, fence, infield, dugouts and a brand-new large scoreboard.

Torey Lovullo Field will serve as a meeting place, a point of pride and a safe environment for more than 600 young ball players of Silver Creek Little League to learn and play the game of baseball.

FLORENCE LITTLE LEAGUE

KENDRICK FAMILY FIELDS

The Kendrick Family Fields Program is a passionate commitment from the Kendrick family to invest in opportunities that demonstrate their love of baseball, and fund sport opportunities that enable children to learn leadership, teamwork, sportsmanship and determination. Ken and Randy Kendrick, alongside their children Cal and Catie, proudly work with the Arizona Diamondbacks Foundation to refurbish fields for youth baseball and softball leagues in need identified through the D-backs Give Back Youth Jersey Program.

Each field stands as a point of pride and a gathering place in local communities where volunteer parents and coaches come together to spend time with their children, teaching and inspiring through baseball and softball. The Kendrick Family Fields program renovations feature a big-league plan and quality materials designed in partnership with the local league officials. Leagues will be encouraged to use these quality fields to grow participation in the game.

THE ARIZONA DIAMONDBACKS CONGRATULATE THE RECIPIENTS AND THANK THEM FOR THEIR DEDICATION TO SERVING OUR COMMUNITY.

Eight Arizona-based non-profits were able to transform their community initiatives with their share of $704,000 in grants donated through the Arizona Diamondbacks' 2024 Ken Kendrick Grand Slam Award Grants. Over $11.5 million in grants have been gifted over the past two decades to make a greater impact on non-profit's large-scale and big picture projects. Founded in 2002 and renamed in 2016 in honor of D-backs General Managing Partner Ken Kendrick, the Ken Kendrick Grand Slam Awards were created to make a larger impact on community organizations by providing project funding. In 2024, more than 280 grant applications were submitted and eight Ken Kendrick Grand Slams were awarded! The grants range from $25,000 to $250,000 and the total giving amounts to more than $700,000!

D-BACKS Give Back | Honeywell

STEM EDUCATION

Honeywell Futureshaper Robotics Competition

The D-backs and Honeywell are committed to cultivating the STEM leaders of tomorrow right here in Arizona through the Honeywell Futureshaper Robotics Competition. This exciting event aims to inspire the next generation of innovators by blending sports and technology. The competition consists of four unique courses that creatively incorporate baseball elements, including hitting a ball off a tee, throwing a ball into a net, running the bases, and navigating a robotic obstacle course that mimics baseball drills. Students work in teams to design and program robots that complete these challenges, testing their problem-solving, engineering, and teamwork skills. The Futureshaper Robotics competition not only fosters a love for science, technology, engineering, and math but also emphasizes the importance of collaboration and creativity, offering a hands-on, engaging experience for all participants.

D-backs & Honeywell Futureshaper STEM Grants

The Arizona Diamondbacks and Honeywell are deeply committed to supporting outstanding STEM educators and education initiatives. During the 2024 season, the Arizona Diamondbacks and Honeywell Futureshaper STEM Grants Program supported 10 schools with a $5,000 grant to bring STEM projects to life. Camp Verde Accommodation/Online School was awarded a special $15,000 grant to help fund a new greenhouse student project!

STEM Showcase Inspired by Honeywell

Every year, the Arizona Diamondbacks and Honeywell conduct a scavenger hunt to teach fans about STEM. STEM displays are placed throughout the ballpark and fans have the opportunity to win prizes by participating.

D-BACKS AVNET® STEM SCHOLARS

In Partnership with St. Vincent de Paul

In May of 2023, the Arizona Diamondbacks Foundation and Avnet announced a $1 million commitment to scholarships for Arizona college-bound STEM students over a four-year period. D-backs Avnet STEM Scholars, in partnership with St. Vincent de Paul, provides up to a four-year scholarship for high-potential, first-generation Arizona students in pursuit of a STEM field college degree. The scholarship program provides not only financial assistance, but a robust support system that helps scholars overcome the unique barriers that first-generation college students face which is accomplished through mentor ship and resources to guide scholars to success in their college careers.

On May 18, 2024, the D-backs and Avnet surprised the second annual class of D-backs Avnet STEM Scholars with a reception at Chase Field including their family and friends. In addition to their scholarship, each scholar received a custom jersey, a new laptop, backpack, headphones, and $500 gift card for school supplies. Each scholar also receives complimentary tickets to D-backs home games!

D-BACKS GIVE BACK

BIKE GIVEAWAY

IN PARTNERSHIP WITH bluesky PEST CONTROL

The Arizona Diamondbacks teamed up with Blue Sky Pest Control to provide 80 children at the Boys & Girls Club with brand new bikes. D-backs players Brandon Pfaadt and Blaze Alexander surprised the kids with at the Boys & Girls Clubs of the Valley – Grant Woods Branch in Mesa. The bikes were built by Bryce Jarvis and Ryne Nelson at Chase Field as well as volunteers from Blue Sky Pest Control and the Diamondbacks. In addition to the bike giveaway, a bike safety instruction was given by City of Mesa's Bicycle and Pedestrian Program and Mesa Fire.

BREAK A BAT

PLANT A TREE

SUPPORTED BY Budweiser

Break a Bat, Plant a Tree supported by Budweiser is an important sustainability initiative for D-backs Give Back by providing desert-adapted shade trees throughout the Valley. Each time a D-backs pitcher breaks a bat of an opposing player, the Arizona Diamondbacks Foundation makes a charitable contribution to provide trees in the community. Since 2014, the D-backs and our partners have helped plant more than 710 trees through the program. In 2024, D-backs Team Players and Budweiser volunteers planted 80 trees at Pierce Park in Phoenix.

DIAMONDBACKS RACE AGAINST CANCER Dignity Health. Cancer Institute

The Arizona Diamondbacks Foundation's 2024 Diamondbacks Race Against Cancer, presented by Dignity Health Cancer Institute, was on Sunday, September 29, 2024, with the race beginning and ending at Chase Field. This highly anticipated event brings together the community in a shared effort to fight cancer and support those impacted by the disease. The 11th annual race benefited Arizona non-profit organizations that provide vital services, including cancer screening, treatment, and support for individuals and families affected by all types of cancer. The Diamondbacks Race Against Cancer is not just a race; it's a celebration of hope, resilience, and community. Every step taken helps raise awareness and funds for critical cancer care, empowering individuals and families on their cancer journeys.

D-BACKS WINTER CLASSIC

presented by University of Phoenix®

Each year, Chase Field transforms into a magical winter wonderland for the D-backs Winter Classic presented by University of Phoenix. On December 10, 2024, more than 600 students from local Title I schools visited Chase Field for a holiday extravaganza. Each child received brand-new athletic shoes, socks, backpack, books, D-backs sweatshirt and they got to take part in fun festivities including photos with Santa, baseball lessons, University of Phoenix Reading Corner and more. Making the day even more special, D-backs alumni Randy Johnson and Luis Gonzalez as well as players Corbin Carroll and Kevin Ginkel, coach Dave McKay and mascot Baxter attended and spent time with students.

"The University of Phoenix takes great pride in our collaboration with the Diamondbacks on the Winter Classic again this year. This special event allows our two organizations to create a memorable day for hundreds of school children throughout the valley. Our employees look forward to volunteering at the Winter Classic all year. They generously give their time to support the children in our communities and it shows the commitment we share with the Diamondbacks for community development."

- Dr. John Woods, Ph.D., Provost and Chief Academic Officer, University of Phoenix

TEAMING UP FOR EDUCATION

presented by University of Phoenix®

The Arizona Diamondbacks Foundation and University of Phoenix are committed to helping Arizona educators provide the best possible learning experience for their students. We invited teachers and school administrators to share their most innovative ideas through an application form to receive a grant of up to $10,000 to transform educational outcomes at their school!

The Arizona Diamondbacks Foundation and University of Phoenix invested $150,000 in Arizona K-12 schools for special projects including robotic clubs, music programs, classroom furniture upgrades, math projects, collaborative learning and more.

WORKING TOGETHER. GIVING BACK.

Thank you to our community partners for stepping up to the plate. It takes people, passion, and purpose to truly make an impact in the community.

Together, we have hit a home run.

NATURE EXPLORE®

A Collaborative Project of
Arbor Day Foundation and
Dimensions Educational Research Foundation

Give a child the gift of nature and a lifelong sense of wonder.

One of the best things you can give your child or grandchild doesn't come from a store. It's time spent outdoors discovering the gifts of nature, right in their own backyard. Nature Explore resources give you fun tools and activities to give the children in your life a love of nature, lifelong learning skills, and an everlasting sense of wonder.

Go to **arborday.org** and check out Nature Explore. There, you can download a free Nature Explore Families Club kit and learn about other Nature Explore resources for connecting children with nature. Whether you live in the city, the country, or anywhere in between, go online to **arborday.org** and start seeing what a difference nature can make.

HEALING TRAUMA, RESTORING HOPE

Through art, connection, and love, we help children find their voice - and their future.

Every child deserves to feel safe, loved and heard. But for those who have faced trauma, the path to healing can seem impossible.

At the Darash Ahava Foundation, we use art, mindfulness, breathwork and nature to help children and adults process their pain, rebuild trust, and rediscover joy - to find their voice, when words fail.

No one heals alone. *Together, we can rebuild lives.*

DONATE NOW

Just $18 can replace darkness with hope for 10 children.

DARASH AHAVA FOUNDATION

Science, grit and cheer. All in one place.

Sports are for all of us. Whether you're a top prospect hoping to play for the D-backs, a weekend warrior, or a youth athlete wanting to reach the next level, the goal is the same. Stay healthy and excel. Welcome to Banner Sports Medicine Scottsdale. Our 80,000-square-foot comprehensive sports medicine center is the first of its kind in the region. We're here to help you overcome your sports-related pains and perform at your best. We are a one-stop destination for sports medicine, physical therapy, surgical intervention, and performance services for athletes of all ages and levels. Ready to get started? Let's do this.

WHAT DO THE WORDS "CLINICAL RESEARCH TRIAL" MEAN TO YOU?

At Arizona Research Center, they mean participation in cutting edge research treating a variety of conditions including: chronic pain, post-op pain without using opioids, migraines, obesity and host of others.

Why participate?

- **No insurance needed**
- **Compensation for your time and travel**
- **A chance to help combat the opioid crisis**
- **Advancing medicine and improving lives**
